Assessed Unit

PHOTOGRAPHY 1: EXPRESSING YOUR VISION

ASSESSMENT CRITERIA	Feedback (<i>please comment on achievement against assessment criteria</i>)	<u>Mark</u>
<u>Demonstration of Technical & Visual Skills</u> Materials, techniques, observational skills, design and compositional skills	Development of very good visual and technical skills, communicating ideas and information. Effective design and composition.	Range 0-40 25
<u>Quality of Outcome</u> Content, application of knowledge, presentation of work in a coherent manner with discernment.	Competent realisation of ideas, presented well, showing consistency in judgement.	Range 0-20 13
<u>Demonstration of Creativity</u> Imagination, experimentation, invention, personal voice	Very good development of analytical and creativity thinking, showing many independent judgements and the beginnings of a developing personal creative voice.	Range 0-20 12
<u>Context</u> Reflection, research,(learning logs)	Awareness of a very good breadth of contexts and debates supporting your growing personal and/or professional knowledge and understanding.	Range 0-20 12

Overall Comments and Feed Forward

Your final assignment (Photography is Simple) very much impressed the assessors. In this final piece of work you really brought together all the things that you've learnt as part of Expressing Your Vision. This submission was original and well executed and bodes very well for future development. The assessors look forward to seeing what you produce in your next course.
